SEPTEMBER 19, 2022 PRICE INCREASE ANNOUNCEMENT

To Our Valued Customers,

Due to increases in material and freight costs, Dwyer Industries will be implementing a price increase on standard weight nipples. This increase will include both black and galvanized nipples and will take effect September 19, 2022.

The increase will be approximately 20% but could vary by item. Due to the fact that this is our first price increase on these items in over a year we are confident that we will remain very competitive in the market.

The new list prices can be found on our website.

Please feel free to contact us with any questions you may have.

Again, thank you for your business and support.

Steve Dwyer
