PIPE NIPPLES

STAINLESS STEEL FITTINGS

COUPLINGS

PIPE FITTINGS

Malleable Iron Threaded Fittings (Import)

- 150# Black & Galvanized
- 1/8" through 8"

Merchant Steel Fittings (Domestic)

- Black & Electro-Plated Hex Bushings & Plugs in Square Head, Hex Head, Hex Countersunk & Square Countersunk

Forged Steel Fittings (Import)

- Threaded & Socket Weld Carbon Steel
- 2,000 – 3,000 – 6,000 Class Fittings and Thread-O-Lets, Sock-O-Lets & Weld-O-Lets

Grooved Couplings & Fittings (Import)

- Light Duty, Standard Duty an Extra Heavy
- 1" through 24"
- Painted & Hot-Dipped Galvanized Ductile Iron
- 304 & 316 Stainless Steel & Cast Bronze

Steel Couplings (Import)

- Merchant Steel Full & Half Couplings in Black and Electro-Plated
- 1/8" through 8"
- API 5L Style Recess Full & Half Couplings
- 1/8" through 12"

Stainless Steel Pipe Fittings (Import)

- 304 & 316 150# Cast Threaded Fittings
- 1/8" through 4"

PIPE NIPPLES

Schedule 40 Welded Nipples (Import)

- Black & Galvanized
- 1/8" through 8" Pipe Sizes
- Lengths – Close through 12"

Schedule 80 Seamless Nipples (Import)

- Black
- 1/8" through 6" Pipe Sizes
- Lengths – Close through 12"

XX Heavy Seamless Nipples (Import)

- Black
- 1/2" through 4" Pipe Sizes
- Lengths – Close through 12"

Stainless Steel Nipples (Import)

- 304/304L & 316/316L Standard Weight
- 1/8" through 4" Pipe Size
- Close through 12" Long

Grooved End Nipples (Import)

- Groove x Groove – Groove x Thread
- Groove x Bevel
- Black
- 1/8" through 8" Pipe Sizes

SWAGE NIPPLES & BULL PLUGS

Swage Nipples (Import)

- Schedule 40, Schedule 80 & XXH
- Up to 8" Pipe Size
- Plated

Bull Plugs (Import)

- Schedule 40, Schedule 80 & XXH
- Up to 8" Pipe Size
- Tapped & Untapped
- Plated

Valves

Brass Ball Valves (Dwyer Brand)

- 150 WSP/600 WOG – Full Port – Threaded
- Forged Brass Body (4" Cast Brass Body)
- Solid Brass Chrome Plated Ball
- 1/4" through 4"

316 Stainless Steel Ball Valves (Import)

- Two Piece Full Port & One Piece Reduced Port
- 1,000 – 2,000 – 3,000 PSI Working Pressure
- Threaded Ends - 1/4" through 4"

316 Stainless Steel Gate Valves (Import)

- 200 PSI Working Pressure
- Threaded Ends – 1/2" through 3"

316 Stainless Steel Check Valves (Import)

- 200 PSI Working Pressure
- Threaded Ends – 1/2" through 3"

Stainless Steel Flanged Ball, Gate & Check Valves

- Class 150 & 300 RF Flanged End
- 1/2" through 12"

Carbon Steel Ball Valves (Import)

- Full Port
- 1,000 & 2,000 PSI Working Pressure
- 1/4" through 4"

Grooved End Ball Valves (Shurjoint Brand)

- Carbon Steel - 800 to 1,000 PSI Working Pressure
1-1/2" through 6"
- 316 Stainless Steel – 600 PSI Working Pressure
1-1/2" through 4"

Grooved End Butterfly Valves (Shurjoint Brand)

- Low Profile – 232 PSI Working Pressure
Nitrile Liner
- Standard Profile – 300 PSI Working Pressure
Nitrile or EPDM Liner
